Seal Sanctuary Visit

Details to follow...!

Monday 13th April 2015

Dear Parent/Carer,

Welcome back to the Summer Term in Helford Class!

Earth... Our Home

This half term Helford Class will be following a unit of work on a theme that focuses on 'Habitats'

In DT we will be finding out:

- ✚ How to make a habitat and nesting box for bees
- ✚ About construction materials

In PSHE we will be:

- ✚ Thinking about relationships
- ✚ Learning about our right to learn and use the language and traditions of wherever we are from

In RE we will learn about:

- ✚ Hinduism

In Science we will be learning:

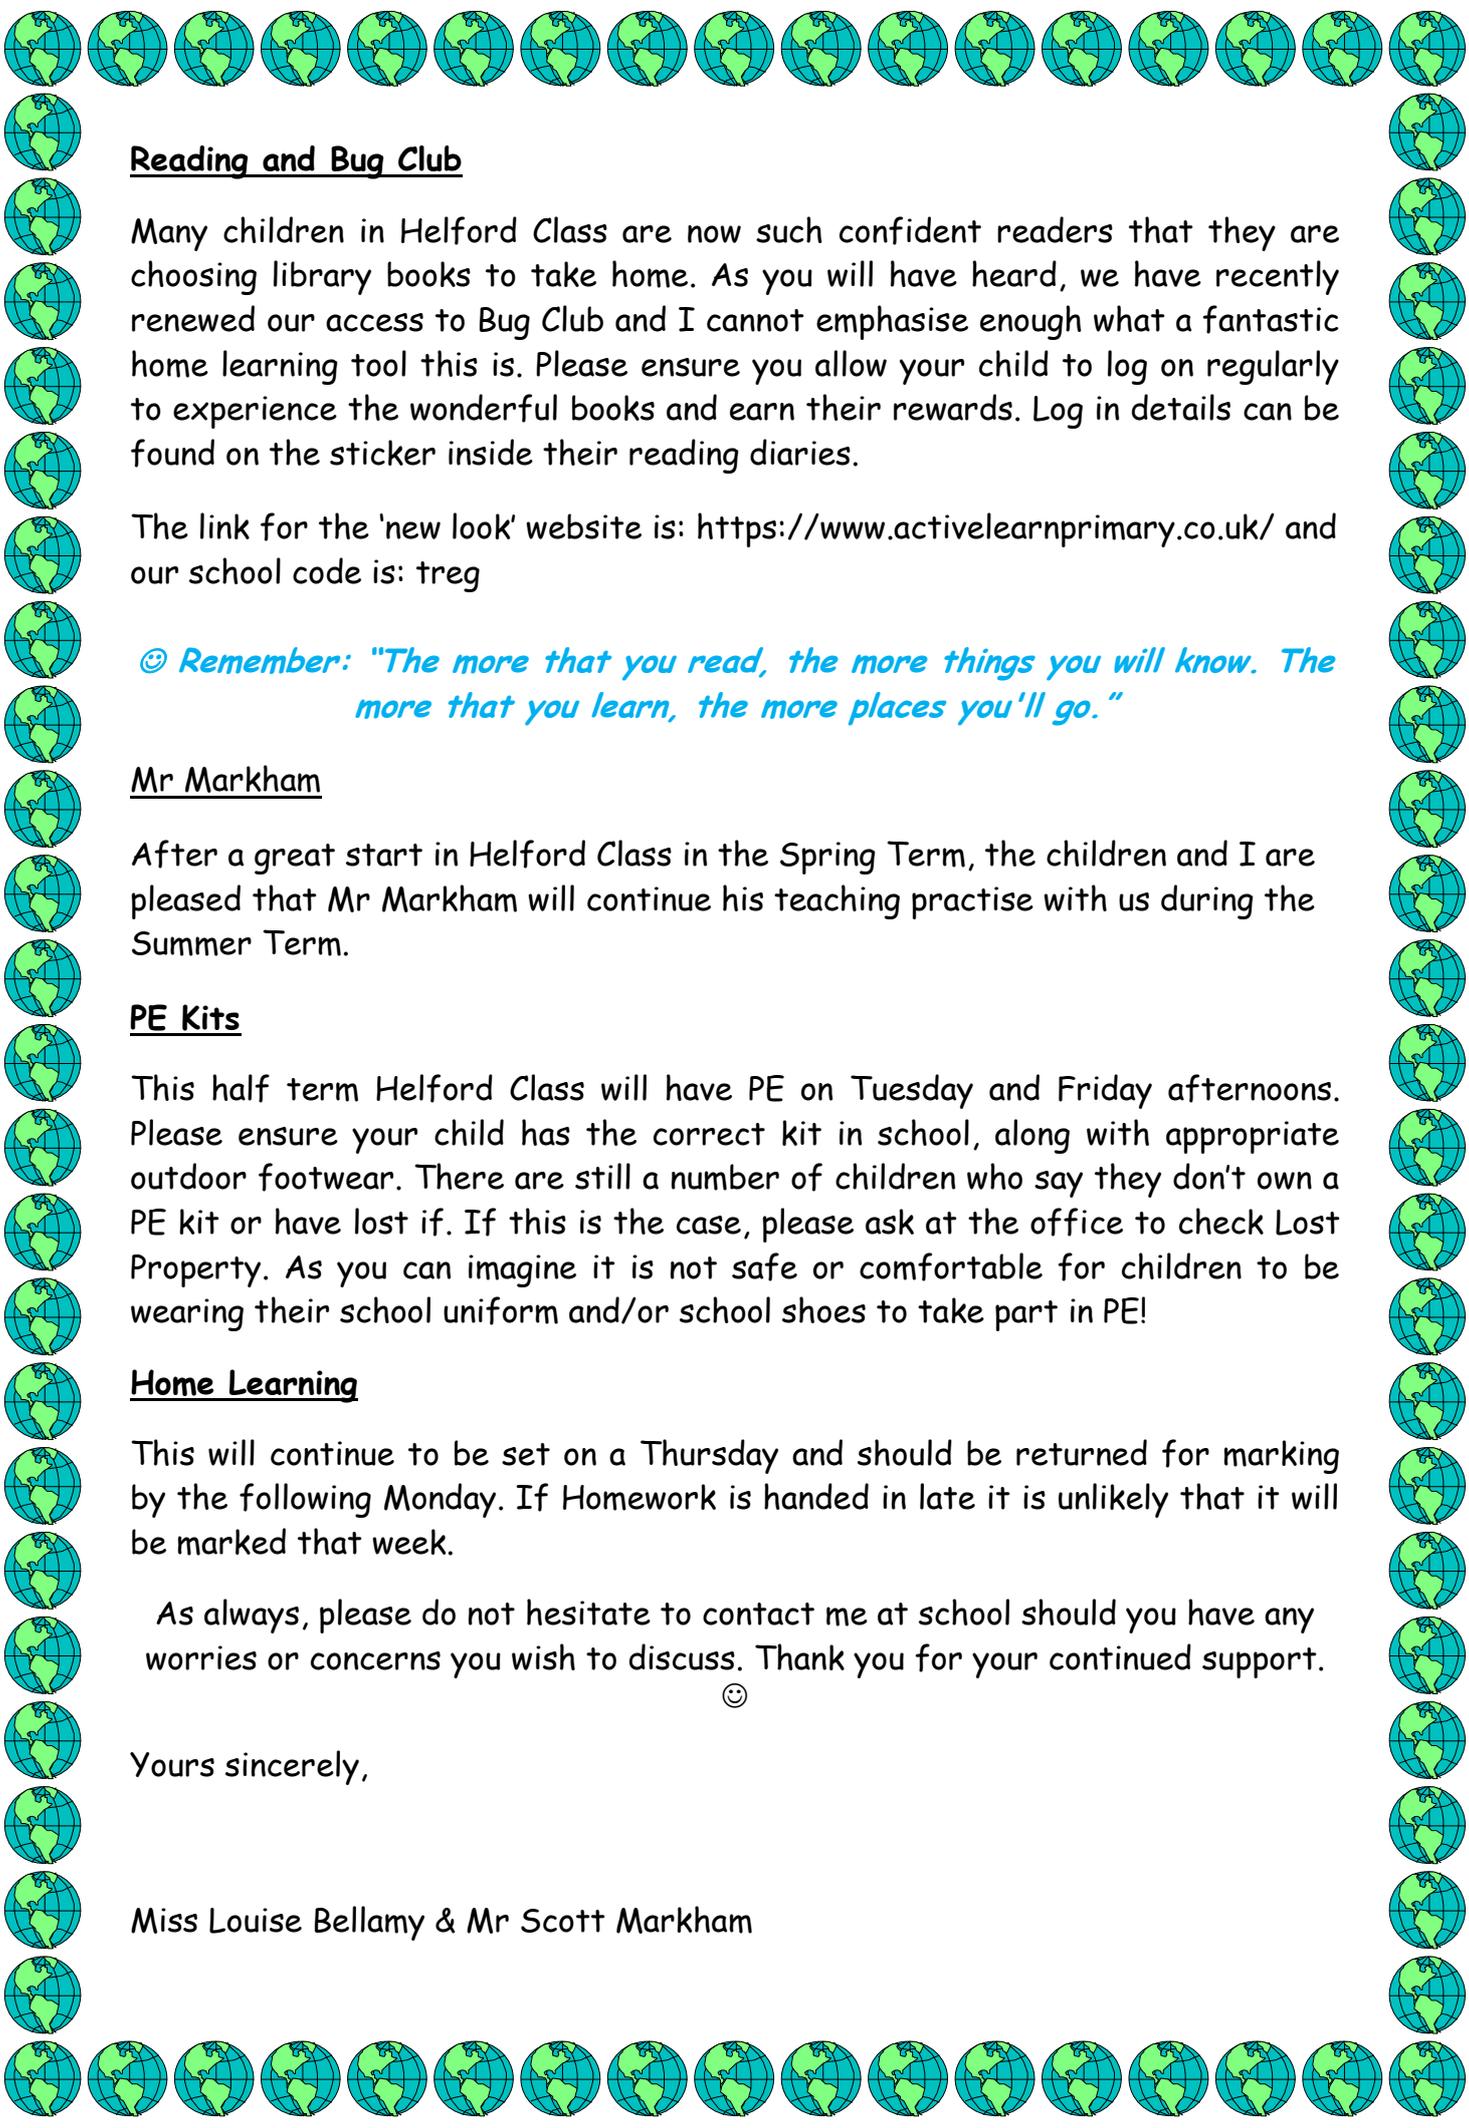

- ✚ About the plants and animals living in forests
- ✚ About different types of trees
- ✚ About plants and animals that live in other habitats
- ✚ How to sort living things into different groups
- ✚ What a micro-habitat is and what creatures live there
- ✚ How animals are adapted to their environment
- ✚ How living things depend on each other

In Computing we will be:

- ✚ Learning about e-safety

In PE we will be focussing on:

- ✚ Athletics and Basketball

Reading and Bug Club

Many children in Helford Class are now such confident readers that they are choosing library books to take home. As you will have heard, we have recently renewed our access to Bug Club and I cannot emphasise enough what a fantastic home learning tool this is. Please ensure you allow your child to log on regularly to experience the wonderful books and earn their rewards. Log in details can be found on the sticker inside their reading diaries.

The link for the 'new look' website is: <https://www.activelearnprimary.co.uk/> and our school code is: treg

☺ *Remember: "The more that you read, the more things you will know. The more that you learn, the more places you'll go."*

Mr Markham

After a great start in Helford Class in the Spring Term, the children and I are pleased that Mr Markham will continue his teaching practise with us during the Summer Term.

PE Kits

This half term Helford Class will have PE on Tuesday and Friday afternoons. Please ensure your child has the correct kit in school, along with appropriate outdoor footwear. There are still a number of children who say they don't own a PE kit or have lost it. If this is the case, please ask at the office to check Lost Property. As you can imagine it is not safe or comfortable for children to be wearing their school uniform and/or school shoes to take part in PE!

Home Learning

This will continue to be set on a Thursday and should be returned for marking by the following Monday. If Homework is handed in late it is unlikely that it will be marked that week.

As always, please do not hesitate to contact me at school should you have any worries or concerns you wish to discuss. Thank you for your continued support.

Yours sincerely,

Miss Louise Bellamy & Mr Scott Markham
