

TREGOLLS ACADEMY

Friday 3rd November 2017

City of Lights

The City of Lights parade is soon and we are looking for parent volunteers to kindly come in on the 14th, 15th and 16th of November and help the children of year 6 build our lantern. This year's theme is 'glow'. If you'd like to register your interest, please contact the office. The parade will take place on Wednesday 22nd November. A letter will be sent out nearer the time with further information.

Pupil Photographs

Individual pupil photographs are taking place on Friday 17th November. Orders will be back in time for Christmas if you would like to use them as a Christmas gift. Remember to look smart and smile!

Bonfire Night

Thank you to everyone who attended last night. It was our third year running of hosting a bonfire night here at Tregolls and it was another great evening. We counted 483 people through the door. Also a huge thank you to Mr Congdon, Sharon and Judith for their kind donations that paid for our fireworks. We couldn't have done it without you. We managed to raise around £800 which will provide invaluable resources and treats for the children. We would like to thank the PTA, Mr Long and Mr Thomas for putting in their best efforts in organising the event. We hope everyone that attended enjoyed their night just as much as the children did.

Manga High

Mangahigh is our online learning platform for numeracy. Each term, the top 10 students for our maths online home learning will win a medal. Your child needs to log on to www.mangahigh.com for their maths home learning games.

Encourage your child to log on. It will greatly help improve their maths skills!

Best wishes,

M. Middlemore
