

TREGOLLS ACADEMY

Friday 19th January 2018

Uniform

Please could I remind you of the importance of children wearing the correct school uniform. For insurance purposes, *outside of their PE lessons, children should not be wearing trainers in school.*

We have also seen some 'interesting' variations on the school uniform recently, such as jeans. Wearing the correct uniform makes a real impact on a child's experience of school and how they apply themselves to their learning. The uniform consists of a navy skirt or trousers and the Tregolls polo shirt and jumper. If you have any difficulties obtaining these, please come and speak to the office.

Primary Dance Showcase

Tamar Class have been busy working with a professional choreographer to create their own WW2 inspired dance. It is already looking great! They will be performing at the Hall for Cornwall on Tuesday 30th January. Tickets are available from the theatre. If you pre-ordered from the school, please collect yours from the office.

Lateness

Registration takes place at **8.50am** every morning. Children arriving after this time are considered late. Attendance is monitored by our Education Welfare Officer and she is concerned that too many children are arriving at school way beyond registration. The mornings are crucial for learning; Read Write Inc, phonics, and 'take up time' all take place at the start of the day and missing these activities by arriving late, can be detrimental to learning and cause a lack of focus.

Penair—Sports Events

Penair School are kindly asking all the primary schools to tell parents that unfortunately, if their child is taking part in a sporting event there during the day, parents will not be able to go and spectate. This is part of their safeguarding policy as parents will not have DBS checks. Thank you for your cooperation. We will keep you updated on sporting successes!

Swimming Gala

Well done to all our children that took part in the Swimming Gala yesterday. It was a very nerve racking experience for many of our team who had never been to a gala before. There were some very close finishes in the 25 meter races. Our children put 100% effort in to all that they did and showed real determination and resilience as they put themselves into situations out of their comfort zone.

Project Launch

Wow! Project launches taking place in every class across the whole school and we have all been amazed with the effort that you have put in. A big thank you to parents for your support with costumes and props that have really helped to kick-start this term's learning. From mad inventors to fairy tale characters, we really appreciate it!

Healthy School Award

A big thank you to Mrs Hatch for her hard work in gaining Tregolls a 'Healthy School Award'. To qualify for this award, the school decided to focus on the area of online safety. We set out to make every child in school aware and equipped to be able keep themselves safe and know how to behave online. We are confident that pupils now have a clear understanding of how to keep safe and we will ensure this continues over time.
