

# TREGOLLS ACADEMY

28th January 2019

## Home Reading Challenge

Thanks SO much for all your support with the home-reading challenge. The children seem really determined to succeed at the moment - long may it continue... I am personally checking diaries from time to time and really appreciate all of the support you provide your children at home.

## PE Kit

A polite reminder that some children do not have PE kit in school for lessons. They are missing out on essential education. They will be expected to take part in PE unless they have written information from home about reasons against this. If there is no note, teachers (and Mrs Butterly) will be asking the children to use spare kit. Thanks for your support with this.

## Smoking

It has been brought to my attention that there are smokers congregating near the entrance pathway at the front of the school. Please could you be considerate around this area and stand a polite enough distance away from other path users. Thank you.

## Sickness

Please can I remind you that if your child has sickness and diarrhoea, they need to stay off school until the symptoms have stopped for 48 hours. For more information on how to treat sickness and diarrhoea yourself, and how to avoid spreading the infection, please visit the NHS website. The link is below.

## Allen/Gannel Launch Day

Allen and Gannel class really enjoyed their launch day. They got to ride a bus and they are looking forward to developing their *Best wishes!*

*Anattins*

## Sporting Stars

The children had a great afternoon at the Cornwall BMX Racing Club. They were buzzing by the end of it—definitely inspired to go again!

## Penair

Fowey class visited Penair for a Science workshop focusing on light. The children were able to conduct experiment's to show how light travels in straight lines and were able to use glass prisms to make rainbows! Tamar class also visited Penair on Friday and the children created their own ration packs.
