THURSDAY	<p>Air - That's not fair! Read the green words. Find the sound in the word. Fred talk it and spell it.</p>	<p>Change the ending to your story! Instead of the vegetable coming out or eating it for tea, what could happen? Be as creative as you can!</p>	<p>Handwriting - one armed robots k and one other</p> <p>Massage story</p>	<p>https://whiterosemaths.com/homelearning/year-1/</p> <p>Summer term week 1 Lesson 4 - find half</p>		<p>Phonics play Topmarks - maths</p>
FRIDAY	<p>Phonics games and Oxford Owl reading</p>	<p>Read a book. Choose 5 tricky words you struggled to read. Write them in lots of different colours and styles (swirly, bubble writing). You could even make the words using natural things in your garden.</p>	<p>Handwriting - one armed robots review all</p> <p>Choose an item to draw from observation</p>	<p>https://whiterosemaths.com/homelearning/year-1/</p> <p>Maths Challenge!</p>		<p>Ed Shed Maths Rock Stars</p>

WEEK 3 (w/b 20.04.2020) - HOME LEARNING PLAN

RAINBOW CHALLENGES - Complete one of each colour per week. You can choose which order you complete them in, we recommend following the order of colours on the timetable above for a consistent routine.

<p>Make a torn paper collage (resources doc)</p>	<p>Get planting! Plant a sunflower or flower of your choice. What does it need to grow? https://www.bbc.co.uk/bitesize/topics/zpxnyrd/articles/zxxsyrd</p>	<p>Look through old photos of you and your family. How have you all changed? What year were the photos taken? You could create a timeline of your life using photographs.</p>	<p>Design and make a homemade board game to play with your family.</p>	<p>Pick something active you enjoy (PE, yoga, dance etc) and do 30 minutes of that activity.</p>
<p>Draw squiggly people (resources doc)</p>	<p>Go for a walk and take a bag or bucket with you. Collect some leaves, flowers (just one of each) - when you get home look up any that you don't know. How could you sort your finds? (colour, shape, plant type)</p>	<p>Make a map of your local area - include where you live, grandparents, school and any other places of interest.</p>	<p>Use a drawing programme/app on your computer/tablet to draw yourself. Write something on it to describe yourself, talk about it and save it.</p>	<p>Make a water safety poster or a poster about the RNLI https://rnli.org/youth-education/education-resources/lower-primary/to-the-rescue</p>
<p>Complete a rubbing using crayons and paper - what different textures can you find</p>	<p>Go on a nature walk and take photos of natural things you find.</p>	<p>Talk about journeys you have been on - write a list of places you have been and draw a picture of the transport that got you there.</p>	<p>Explore what is inside a mobile phone by making a paper one (resources doc).</p>	<p>Make a dance routine to your favourite song!</p>
<p>Pick a tree that you can either see from your house or on a walk near your home - sketch it and revisit the tree each week to notice how it has changed.</p>	<p>Pick a flower and very carefully take it apart to look at and identify the different parts. Draw a picture of a flower and label the parts.</p>	<p>On a map of the UK mark where we live and any other places of interest to you such as places you have visited or would like to go</p>	<p>Do something kind for someone - can you pay them a compliment, make them something or help them with a task?</p>	<p>Aiming and throwing - practice throwing beanbags/balls into a hoop or marked area.</p>
