Recap how to calculate area and perimeter using this website (they slides get progressively more challenging)</p> <p>https://www.bbc.co.uk/bitesize/guides/ztndmp3/revision/1</p>		<p>-Ed Shed</p> <p>-Maths Rock Stars</p> <p>-Topmarks Maths</p> <p>-Maths Frame</p>
TUESDAY	<p>Read 15 mins of your book and...</p> <ul style="list-style-type: none"> Write a character/setting description <p>Adults to listen to children read and ask them questions using the 'Reading Questions Bookmark'.</p>	<p>Today you will be thinking about the setting for your character. Follow the link from yesterday and find the second video: Story Setting. Talk about the questions before and after the video with an adult. Write a description of where your character from yesterday lives. You could draw a picture too.</p>	<p>Handwriting & Spellings: Interfere Interrupt</p> <p>Mindful colouring</p>	<p>Use this website for some great games to support your learning on area and perimeter</p> <p>https://www.topmarks.co.uk/Search.aspx?q=area+and+perimeter</p>		<p>-Ed Shed</p> <p>-Maths Rock Stars</p> <p>-Topmarks Maths</p> <p>-Maths Frame</p>
WEDNESDAY	<p>Read 15 mins of your book and...</p> <ul style="list-style-type: none"> Write down some questions that you now have about the book <p>Adults to listen to children read and ask them questions using the 'Reading Questions Bookmark'.</p>	<p>Today you will be thinking about a problem your character might face. Follow the link from Monday and find the third video: A Problem to Address. Talk about the questions before and after the video with an adult. Record a video of you explaining the problem your character is going to face in your story.</p>	<p>Handwriting & Spellings: Language Leisure</p> <p>Cosmic kids meditation</p>	<p>Create an information poster about calculating area and perimeter. You could even try to teach younger brothers/sisters if they are at home with you.</p> <p>Please upload your posters to Dojo.</p>		<p>-Ed Shed</p> <p>-Maths Rock Stars</p> <p>-Topmarks Maths</p> <p>-Maths Frame</p>
THURSDAY	<p>Read 15 mins of your book and...</p> <ul style="list-style-type: none"> Make a prediction of what may happen next <p>Adults to listen to children read and ask them questions using the 'Reading Questions Bookmark'.</p>	<p>Today you will be thinking about how your problem from yesterday can be solved. Follow the link from Monday and find the fourth video: Solving the problem. Talk about the questions before and after the video with an adult. Write a set of instructions for your character to solve their problem. Use an introductory sentence and a numbered list.</p>	<p>Handwriting & Spellings: Lightning Marvellous</p> <p>Drawing tutorial on Youtube</p>	<p>Use this website for some great games to support your learning on area and perimeter</p> <p>https://www.topmarks.co.uk/Search.aspx?q=area+and+perimeter</p>		<p>-Ed Shed</p> <p>-Maths Rock Stars</p> <p>-Topmarks Maths</p> <p>-Maths Frame</p>
FRIDAY	<p>Read 15 mins of your book and...</p> <ul style="list-style-type: none"> Create your own alternative ending to the story <p>Adults to listen to children read and ask them questions using the 'Reading Questions Bookmark'.</p>	<p>First Draft - Have a go at writing your story using all of your activities from the week. Remember to use Y5/6 SPaG and proof read your work before you submit it to me on Dojo. I can't wait to read them!</p>	<p>Handwriting & Spellings: Mischievous Muscle</p> <p>Mindful colouring</p>	<p>Have a go at the Theme Park design activity provided. You can upload your work to Dojo. You might want to create a leaflet for your theme park too. I'd love to see them.</p>		<p>-Ed Shed</p> <p>-Maths Rock Stars</p> <p>-Topmarks Maths</p> <p>-Maths Frame</p>

WEEK 2 (w/b 20.04.2020) - HOME LEARNING PLAN

Spellings/Handwriting

Here are your spellings for the week. For your handwriting practice put these words into context. Try to create 3 different sentences for each spelling word in your neatest handwriting. immediately, individual, interfere, interrupt, language, leisure, lightning, marvellous, mischievous, muscle

RAINBOW CHALLENGES - Can you complete one of each colour per week?

Junk modelling – can you create an alien using recycled materials?	Shadow fun! Go outside and draw around the shadow of something e.g. a plant pot. Check later – has the shadow changed? How? Show video and talk about day/night.	Research an Olympian of your choice. Create a fact file on them. How old is he/she...Where did he/she live...Interesting facts...	Make space stick puppets and create a short story using them. Film on a tablet and edit.	Create an obstacle course where you have to travel high and low, under and over. Time yourself – how fast can you complete it?
Create a print picture using paints and objects as printing blocks.	Make shadow puppets!	Create a meal from a different country. Research, create a shopping list and finally make and enjoy.	Create a 'how to' video. Choose something your good at (like drawing, lego building etc.) and film yourself giving steps and tips. If you have a tablet you can also edit this and post to dojo.	Go on a walk in your local area– what did you spot along the way?
Collect natural materials to use as instruments. Create a piece of music to share to dojo.	Go on a spring walk. What do you notice? Record findings by taking pictures, writing notes and drawing pictures.	Make a time capsule of your time off school. Include a letter from yourself, cuttings from newspapers, a picture of your family, pictures of your time off.	Explore the night sky! Download a star app like Star Walk. Can you find a planet or constellations?	Dancing to a song of your choice on Youtube. Record your dance and share it on Dojo!
Use the cardboard roll from toilet/kitchen tissue to create a sculpture.	Go on a bug hunt in your garden! What can you find? Maybe you could make a bug hotel.	Bake something delicious and write a set of instructions to share with me on Dojo.	Learn to recycle. Ask your adults if you can help them and then create an information leaflet to teach other people how easy it is.	Do some different exercises e.g. star jumps, hopping and skipping. What happens to your body? (This might be your Joe Wicks workout)
